

The Viktor Yeliohin International Ballet Academy  
presents

# *America - Ukraine*

# *Summer Ballet Camp*

July 10 - 21, 2017

For two full weeks your students (ages 10-20) will have the opportunity to be exposed to the Vaganova Syllabus style of dance and learn from professional dancers and choreographers such as Vadim Pisarev; in **Ballet, Pointe, Variations, Character, Jazz, Modern, Contemporary, Yoga and Floor Barre.**

Vadim Pisarev, trained at the Kiev Chorographical School and was given the honor and highest title of "People's Artist of the Ukraine." He is one of many well trained dancers that will be teaching throughout the summer program.

The America-Ukraine Summer camp is located in beautiful downtown historic Lancaster, Pennsylvania at the Viktor Yeliohin International Ballet Academy. Lancaster City is within driving distance to Washington D.C., Philadelphia, Baltimore, Delaware Beaches and the Jersey Shores. It is located a few miles from the Amish Farmlands, Rockvale Outlets, and multiple museums, historical sites and much more. Your students will be safely housed in a dorm room at Millersville University and will have all of the same amenities as they would in a hotel. Each dorm room will include a private sink, shower and bathroom. Three meals a day are included with the tuition, and there is a full use kitchenette in the dorms with a microwave, stove and refrigerator. For an additional tuition fee, parents are welcomed to stay in an adjoining dorm room and will also receive a meal plan. At the end of week one, a special picnic will occur between the students, faculty and any family members. For a small additional fee a trip to Hershey Park will also be planned if enough members attend. All of the dancers will featured in a final performance on Friday July 21, 2017.

In order for your students to attend the summer camp they must audition at one of the two locations provided on the brochure (Lancaster or Philadelphia.) In place of an audition, we will accept a short one minute video with a dance resume, head shot photo included. Dancers must perform 1st Arabesque, Grand Jete, and Developpe Passe in the video. A special discount will be given to any dancer that registers prior to 01 May 2017.

Please share this wonderful opportunity with your students. We can mail you additional brochures or posters to your locations or feel free to print them from here. There will be multiple advertisements listed in the upcoming publications of Dance Magazine and Pointe Magazine. Look for more details posted on our facebook page "Viktor Yeliohin International Ballet Academy" and also shared through our Instagram account "vyballetacademy."

Please email with any questions or concerns regarding the summer program.

We are looking forward to the opportunity to work with your students.

Thank you,

Viktor Yeliohin, Director

Viktor Yeliohin International Ballet Academy
