

COVID-19 Studio Safety Guidelines

All attendees are expected to follow social distancing safety measures.

1. You may attend class if you and those you live with are healthy and not experiencing any signs of illness. **You must to stay home if you are experiencing any of the symptoms of COVID-19 listed below.**

- Fever
- Loss of Sense of Taste or Smell
- Runny Nose
- Shortness of Breath
- Dry Cough
- Sore Throat

2. Please take your temperature just prior to attending the class and do not come if it reads above normal 98.6.

3. Students must wear their own mask during class. Permission may be granted by a teacher to remove mask with an appropriate distancing of 6ft if breathing is impaired so much that a student feels light-headed or nauseous. Masks must also be worn when entering and exiting the studio.

4. No more than fifteen students are permitted to take class in the large studio. No more than ten students are permitted to take class in the small studio.

5. **Come dressed for class.** Please leave your shoes and belongings in the lobby area and come straight into the studio. Do not linger.

6. Be sure to keep your items 6 feet from other students.

7. Students must not congregate in small groups around the studio. No hugs, just waving and heart hands are welcome.

8. Students must bring a clean hand towel from home to wipe away sweat.

9. When using the restroom, please use the paper products wisely as these are in short supply and be sure to dispose of all paper towels neatly in the waste basket. There will be wipes and/or disinfectant spray in each bathroom to use prior to or after use.

10. Please bring a small baggie of disinfectant wipes along to wipe down your dance space before leaving the class.

11. Parents may drop off students at the studio door and pick them up at the door. **Parents are not permitted to wait in the waiting room.**

12. Air travel significantly increases the risk of contracting and transmitting the COVID-19 virus. The studio will follow the CDC recommendation of social distancing of at least 6 feet for a period of 14 days. **Please wait the 14 days before returning to class after any air travel and after visiting any of the states listed on the CDC website's PA travel restriction list. These include Alabama, Arkansas, California, Florida, Georgia, Idaho, Kansas, Louisiana, Mississippi, Missouri, Nevada, North Dakota, Oklahoma, South Carolina, Tennessee, and Texas.** Any missed classes can be made up at a later date.

The school has been thoroughly cleaned with disinfectant and will be wiped down between classes.

Thank you for your cooperation!
